- 5-year warranty
- Four ultra-high power LED's
- NEMA 4X; IP66
- UL recognized
- Wide DC input voltage

Ordering Information

Model	Description	Voltage
R14-STB-RWL	Stop-Tail-Backup light	12-48 VDC

The Tomar R14-STB-RWL Stop-Tail-Backup light is ideal for all your material handling, and other industrial vehicle applications. Each unit is fitted with four ultra-high intensity LED's to assure a bright light at any setting. All this in a compact yet powerful package measuring only 4.5" x 1.2" x 7".

The light is hermetically sealed to completely keep out moisture. It is UL recognized and manufactured to NEMA 4X; IP66 specifications. The light is rated at 100,000 hours, and is warranted for a full 5 years.

The Multivoltage R14-STB-RWL will operate at 12-48 VDC to handle all your vehicular voltage needs.
