SPK100

Slimline Speaker

The SPK100 Slimline speaker is 100 watts and designed for use in emergency vehicles, security alarm, public safety, and 2-way radio systems. The two-piece aluminum bell houses the driver and provides complete weather and corrosion protection for all internal components. The exponential flare rate of the horn optimizes sound dispersion at any power level in a 75° pattern. Neodymium magnet, ferrofluid cool.

SPK100-BKT

Ordering Information

Model No.	Description
SPK100	Slimline speaker
SPK100-BKT	Crown Vic mounting bracket

Specifications

Item	Description
Power Rating	100 watt RMS
Impedance	11 Ohms
Frequency Response	700–2700Hz
Sound Level (Peak dBA)	112 dBA (measured 1W/1M) 118 dBA (measured at rated power, 3 meters)
Dispersion (2000Hz octave band, 6dB points)	75°
Finish	Black
Size and Weight	6.625" dia. x 2.25" deep x 12 lbs (170mm x 60mm x 5.44kg)
